Mercy Emergency Response Fund

Thanks to you, Mercy Health Foundation St. Louis raised nearly \$680,000 in support of Mercy's Emergency Response Fund. We're deeply grateful for your generosity as our frontline caregivers work to ensure that the health and safety of our patients, providers and community is a top priority.

Because of you...

\$247,000

was given by a generous donor to help strengthen Mercy's support of our frontline co-workers. Funds were used to purchase PPE, medical supplies and other essential items.

\$16,000 +

in salary support has been provided to Mercy Hospital JFK Clinic to provide quality health care to our underserved and underinsured populations.

74

plexiglass barriers were purchased to provide protection to our patients and caregivers.

Your gifts supported:

- The purchase of *Covid-19 surveillance cameras and temperature scanners* to help automate the screening process for our frontline workers.
- The creation of a *Cafeteria Micromart*, which serves as a grab-and-go food station by providing *affordable food items for our frontline co-workers* impacted by Covid-19.

Hundreds

of prayers shared and answered.

More than

\$30,000
